

Data Counts: From Collection to Impact

Join us for a hands-on training series where you'll dive deep into State Performance Plan Indicators 5, 6, and 13 and discover how to uncover insights hidden in your IEP data and CALPADS reporting.

Audience: Special Education Administrators | Special Education Data Technicians | Other Interested Educators

All sessions are offered at no cost!

Learn how to audit and analyze your data through interactive activities and real world scenarios. Plus, gain practical strategies for monitoring and improving outcomes for students with disabilities. Whether you're new to data review or looking to sharpen your skills, this series will empower you to turn numbers into action.

Offered in collaboration with Supporting Innovative Practices (SIP) and The California Early Childhood Special Education Network (CalECSE).

Virtual Training Series:

Time: 11:30am-12:45pm

October 30th, 2026:

Indicator 6: Preschool Least Restrictive Environment

November 13th, 2026:
